

Modular sofa RENO

With soft shapes and a lighter impression, Reno becomes the heart of any modern living room. It is a very generous and comfortable sofa with a relaxed and timeless look. A sofa that will stay with you for a long time.

A modular sofa is perfect for any manner of lounging and it will make the most of your space! Simply because you oversee the shape and mould it to your personality and style. Tie two spaces in your home together by using the same look but in different configurations. The upholstered back lets you put the sofa in the middle of the room. Let the sofa shape-shift around your needs, you can even let the sofa change shape during the day!

Height: 46 cm	Height: 46 cm

FABRIC

Quiet is a fabric with structure. Available in 3 colours.

Creme, liver and anthracite.

90% polyester, 10% polyacrylnitrit.

FILLING/FRAME

The seat cushion is made from high-resilience foam that increases the strength and elasticity of the seat, preventing deformation. The upright cushion is made from silicone down, which retains the properties and softness of feathers, but eliminates unsightly kneading and allergenic properties. This combination ensures the highest comfort.

Beach frame with nozag springs.

MAINTENANCE

Furniture that is placed in direct sunlight risks fading or changing color. Turn pillows regularly. To maintain the shape and appearance of this piece of furniture, it is necessary to regularly puff up and shake the pillows lightly to distribute the filling in the pillow. Vacuum the furniture regularly. Dust and fibers from carpets and decorative pillows as well as hair from pets can cause pimples on the furniture. Treat with a textile impregnation, then the furniture stays nice for a long time and makes it more resistant to stains and dirt. Dry cleaning is recommended.
